Education helps us ...

- Understand things around us
- Think

Education makes a greater difference between man
and man than nature has made between man and
brute.

Helping you prepare for life after full-time work

Learn how to plan and think about life after full-time work (so-called retirement), particularly the psychological and financial aspects.

Identify the problem

- Psychological: Who am I?
- Practical: What will I do with my time?
- Financial: Will I outlive my money?

Provide help for Life Two

Reminder: My purpose today

1. Education for Life Two is important
2. Think how to deliver that education
3. Some ideas about content
