Defying the Odds | Molly Bloom's Odyssey of Adversity, Reinvention, and Triumph

In her presentation, Molly Bloom explores the intersection between skiing, poker, and business highlighting the importance of belief in oneself, overcoming fear, and cultivating resilience. Molly achieved fame as the subject of Aaron Sorkin's Oscar-nominated film, *Molly's Game*, based on her bestselling memoir. *Molly's Game* chronicles Bloom's journey from college student and former Olympic skiing hopeful to LA waitress to head of the most exclusive high-stakes poker game in the world with no-limit stakes that could top \$100 million and frequented by celebrity players. She also gained the attention of the mafia and the FBI.

Even in the face of extreme adversity, Molly has always maintained her integrity. Her SACRS talk will focus on themes of resilience, reinvention, and leadership drawing on her experiences as an entrepreneur and author.
