RE: **Legislative Update – October 2025**

The Legislature adjourned September 13th until January 2026 (barring no call for special session over the interim). They moved over 500+ bill and huge budget priorities in these last two weeks. For the first time since 2016 with the passage of Proposition 54 that implemented the 72-hour amendment rule, the Legislature had to pass a rule waiver to work past their September 15th deadline. They sent 917 bills to the Governor's Desk, where he signed 794 into law and vetoed 123 - citing "significant fiscal implications" to the General Fund. Some of the bigger bills he signed were allowing denser housing project in high-transit areas, capping insulin pricesprocesses, expanding CARE Courts and increasing oversight on chatbots.

SACRS is tracking the following bills:

- **ACA 2 (Jackson)** - seeks to reinstate retirement for State Legislators. ACA 2 would establish a retirement system specifically for legislators elected or serving from November 1, 2010 onward. To qualify, legislators would be required to serve at least 10 years. If their service is less than 10 years, legislators could transfer their accumulated service credits to another public pension or retirement system they are a part of. Status: This bill did not receive a hearing and is now a 2-year bill.
- **AB 259 (Rubio)** - was amended to extend the 2026 sunset on existing laws governing teleconferencing procedures for public meetings to 2030. This bill is sponsored by the CA Special District's Association (CSDA). Status: This bill is now a 2-year bill.

- **AB 288 (McKinnor)** - expands the jurisdiction of the Public Employment Relations Board (PERB) by authorizing certain workers to petition PERB to protect and enforce their rights. Status: This is now a 2-year bill.
- **AB 339 (Ortega)** - would require the governing body of a public agency to give a recognized employee organization (REO) no less than 45 days' written notice regarding contracts to perform services that are within the scope of work of job classifications represented by the REO. Status: This bill was approved by the Senate Appropriations Committee and is awaiting action on the floor. Status: CHAPTERED
- **AB 340 (Ahrens)** - would prohibit a public agency employer from questioning any employee or employee representative regarding communications made in confidence between an employee and an employee representative in connection with representation relating to any matter within the scope of the recognized employee organization's representation. Status: This bill is now a 2-year bill.
- **AB 409 (Arambula)** - would extend the 2026 sunset on existing laws governing teleconferencing procedures for California Community College student body associations and student-run community college organizations to 2030. Status: This bill is now a 2-year bill.
- **AB 467 (Fong)** - would extend the sunset date from 2026 to 2030 (as opposed to 2031) for teleconferencing procedures for neighborhood councils, defined as an advisory body with the purpose to promote more citizen participation in government. Status: This bill is now a 2-year bill.
- **AB 569 (Stefani)** - was amended to maintain the proposed authorization to negotiate contributions to supplemental Defined Benefit plans but also maintain consistency with the existing PEPRA prohibitions and limitations. Status: This bill was held on the Appropriations Suspense File and is now a 2-year bill.
- **AB 814 (Schiavo)** - This bill excludes from gross income, under the Personal Income Tax (PIT) Law, peace officer retirement pay and amounts received by the beneficiary of an annuity plan set up for the surviving spouse or dependent of a person that lost their life in service as a peace officer. Status: This bill was held on the Assembly Appropriations Suspense File.

- **AB 1054 (Gipson)** - This bill would establish the Deferred Retirement Option Program as a voluntary program within PERS for employees of State Bargaining Units 5 (Highway Patrol) and 8 (Firefighters). The bill would require these state bargaining units to bargain with the Department of Human Resources to implement the program. The bill would also require the program to result in a cost savings or be cost neutral. The bill would further require the department to work with the board of PERS to develop the program. Status: This bill was not taken up in the Assembly PERS Committee and is now a 2-year bill.
- **AB 1323 (Chen)** – would increase the compensation rate for certain members of the Orange County Board of Retirement to not more than \$320 per meeting. Status: This bill did not receive a policy committee hearing and is now a 2-year bill.
- **AB 1383 (McKinnor)** - This bill would establish new retirement formulas, for employees first hired on or after January 1, 2026, as 2.5% at age 55, 2.7% at age 55, or 3% at age 55. For new members hired on or after January 1, 2013, who are safety members, the bill would require employers to adjust the formulas for service performed on or after January 1, 2026, to offer one of the 3 formulas for safety members that is closest to the formula the employer provided pursuant to existing law. The bill would authorize a public employer and a recognized employee organization to negotiate a prospective increase to the retirement benefit formulas for members and new members, consistent with the formulas permitted under the act. This bill would authorize an employer and its employees to agree in a memorandum of understanding to be subject to a higher safety plan or a lower safety plan, subject to certain requirements, including that the memorandum of understanding is collectively bargained in accordance with applicable laws. Status: This bill did not receive a policy committee hearing and is now a 2-year bill.

- **SB 239 (Arreguín)** - allows flexibility for remote meetings of local advisory bodies (“subsidiary bodies” in the language of the bill). Specifically, this bill would allow the subsidiary body of a local agency to teleconference their meetings without having to make all locations publicly available and would require the subsidiary body to post the agenda at each physical meeting location. The bill also sunsets these provisions in 2030. Status: The bill was moved in the inactive file. The sponsors of this bill are now working with Senator Durazo on SB 707 as the consensus measure.
- **SB 301 (Grayson)** - beginning on or after January 1, 2026, would prohibit a city or district that contracts with a retirement system under the CERL from amending their contract with the system in a manner that provides for the exclusion of some, but not all, employees. Status: CHAPTERED

Similarly, the bill authorizes a non-founding member agency of a JPA formed on or after January 1, 2013, to offer a pre-PEPRA DB retirement plan or formula to an employee within 180 days of the agency becoming a member of the JPA.
